I'm redecorating my bedroom and I need some advice. Can you help me?

Of course! I'd be happy to help. What do you need advice on?

Yes, there is a colorful picture hanging on the wall. It is in front of a shelf and behind an armchair. It adds a nice pop of color to the room.

That sounds great! What other decorations or furniture are in the room?

There is a wardrobe to the right of a stuffed animal. It is in front of a doorframe. Additionally, there are shelve attached to the wall, with various item displayed on them.

I want to add some color to the room. Are there any colorful objects in the room?

Thank you for the information! It's really helpful for my redecorating plans.

You're welcome! I'm glad I could assist you. If you have any questions, feel free to ask.

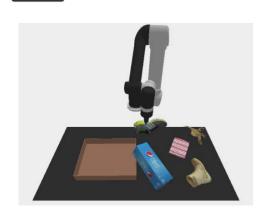

Neatly organize and remove dirt from the living room.

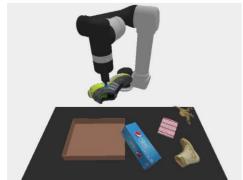

1. Wipe down the door, including the handle and any glass panels.

- 3. Dust and clean the cabinet, including any shelves or drawers.
- 4. Arrange the pillows on the couch neatly and fluff them up.
- 5. Dust and clean the ceiling using a long-handled duster or appropriate cleaning tool.
- 6. Check and adjust the temperature or settings of the radiator if necessary.
